this is a short note to advise you of the one of wildest weekends that you will ever have. Keep these dates free:

*** Friday 26th to Sunday 28th of June ***

This is the weekend of the inaugral Science Association Re-Orientation Camp, in which you will become further orientated with the more enjoyable sides of Uni-life--

This get together is open to all members of A.U.Sc.A. as well as their friends and lovers. It is held at a great campsite in Longwood, where you can have about as much fun as you can handle.

There will be a lot more information during the first week of second term- so look out!.

Tickets cost \$20 and if you are particulary keen (you'd better be because tickets are limited!) you can purchase them from Cris Stewart or Matt Baron, who can be located at the library end of the Maths Lawns during lunchtime. This cost includes all food, entertainment and the pleasure of our company.

Bye for now and Keep your eyes open for more details.
