2. Minutes of the previous meeting

Motion 1 : That the minutes be accepted.  
Jamie/Matt

3. Business arising from the minutes

1) Has the O.L.L.O. got a copy of the constitution? Yes, he has and he's read it a bit.

Motion 2 : Jamie is a poof.  
Gayle/Jim

As for the rest of the minutes, no one could remember anything from them that was worth while.

4. Questions

a) With notice.  
none.

b) Without Notice,

Gayle came out and attacked the president with lots of questions that he didn't want to hear. None the less being the type of guy he is he directed the questions to the other members of the committee.

1) Gayle wanted to know what we should do with the left over Faarcing shirts in N5. It was decided that Ben would take the leftover shirts and perhaps put the O'Camp print on the back.

2) Then Gayle wanted to know who had keys to N5. It turned out that Julie had two and we decided to distribute the other spare at the next committee meeting.

3) Gayle now wanted to know if it would be possible to put our filing cabinets in N5. It turns out that at the moment with the Book Swap books being stored in our room, the filing cabinets would only add to the clutter.

4) Now little Miss organization wanted to know what was being done about the first aid kit that S.A.U.A. lost on their O'Camp. Ben said he would chase that up for us ( Ben was the O'Camp convenor for S.A.U.A. this year.)

5) It was decided after much conversing that a Book Pick-up Day would be organized for the left over books from the Book Swap. The date : 19th March at 1.00pm till 2.00pm.

6) Matt Berger (our treasurer) wanted to know if Juile still had the statements she collected during holidays. She has and will bring them in soon.

At this moment a bloody fresher asked where the booze was. He was promptly told to SHUT UP!!!

Motion 3 : That we Torch the Freshers!  
Not Passed

5) Ben addressed the masses that he would take orders for T-Shirts at the end of the meeting.

## 5) Reports

### TRESURERS REPORT

Matt would like to have all the cheque books. That will be arranged.

Matt also read out alot of figures and then didn't give me a copy to put them in the minutes. But I'm sure you all understand that we are just starting to get use to our positions. Next time we will be more organized. From as much as I can remember in all we are looking sound on the financial front

Motion 4 : That Matt be thanked. *As were passed*  
Kylie/Shawn

### MORALS REPORT

Ben gave an entertaining Morals report containing the usual Foul and Disgusting acts comitted on the O'Camp, O'Week , and general A.U.Sc.A. events.

Motion 5 : That Ben be thanked.  
Traci Jo/Shawn

## 6) Correspondance

During the holidays A.U.Sc.A. recieved a letter from the Registrar about the cutting down of the Maths Lawns Poplars trees. Julie informed us that the Enviornment Officer wants to stage some sort of protest against the proposed plan to build a paved courtyard between the Maths and Engineering buildings. This is because he feels that the Maths Lawns will turn into a car park and we want to keep them as a lawned area because it is more comfortable.

A brief mention was made about the rest of the mail that we recieve, Diary, Lumen etc. and with our limited knowledge we tryed to explain Alumini. (Not too well I might add.) If you wish to know more about Alumini then a representative can be brought along to tell you about it. See one of the committee if you are interested.
