- Update on movie

BUSINESS

Pub Crawl

T Shirts still available only large sizes though

Oakbank

- Is on! Meet at Tysons at 4:30am!!!! on Monday. Will find a spot next to the fence to see some cool stacks! Will also be able to get some good photos of bodies under blankets. BBQ, footy, beer, bring your own meat(????). "Ralphing on the Zipper!" by Pete. Put the AUScA banner on the car when parked there. Will that be good or bad advertising???

Winery Tour

Jo is organising it. Sally volunteered to help out. ON YA SALLY!!!! (Sally skulls the beer). The date has been set for the 19th of May, still organising to go to a park or the beach after so we don't annoy Barbara too much. \$15 a ticket, get the royal tour, BBQ, drink all the wine and buy any leftovers (How can there be leftovers if we drink it all????). Mark will do his annual spew on the lawn and everyone will come hungover to another fun filled day at uni.

Fundraiser

Movie Night

Youngblood "It was an honour just to be nominated" Won't be happening to soon as there are only shit movies on. Will go to the Academy though with \$6 a head. There will be an optional dinner at the Mansions (ofcourse) before the movie.

Cocktail Party

Held at the Mansions for the end of semester exams. \$25 a head which will include a meal, beer, wine or softdrink, and cocktails. Could make it a Pjocktail party (Tyson) or a Tonga party. Semi formal? NO!! We could strip off at dessert! Vote on each; PJ:22, Tonga:18 and semiformal:0. Date will be the 6th of July. Will have to buy tickets before the night.

BBQ

Instead of a formal meeting in the Little Cinema, have a BBQ near the library. Will have to pay to cover the meat. Could make it a fundraiser (But I don't anybody would go then), or have the meeting and then a BBQ after.

Bulletin Board

Put up in the Catacombs for AUScA messages etc. The crowd roared!!

CORRESPONDENCE

Alumni Assoc. - need to get in contact with them and even attend a meeting or two. They do a fair bit for us including the BBQ on the Winery Tour.

QUESTIONS

- On the matter of Prosh. 14th of May to the 19th (Yes that is when the Winery Tour is!). Will get a bus again for the parade. Hopefully get a more open one that people can hang themselves out of (or more likely spew out of). Joni and Michelle will organise the buses and any other Prosh events.

REPORTS

Pub Crawl

Who remembers it? sorry to those who didn't make it to the Lion to get a beer ticket or two. That's about all anybody remembers I think. Except the Chupa Chup game (I personally cannot remember if I participated in that little game.)

Treasures

Paid back all our debts (You sure about that Mark??). We need ideas on how to make money. A cake sale? I don't think so guys! Amway? This kind of stuff really does need to be organised, it just doesn't happen so it is important that we have fresher involvement as it will be you who will be running AUScA next year and the year after!!

Morals

Once again see Tetley and Amy (who wasn't there) for a run down and also to add anymore.
