

Vera in omnibus quarere

Adelaide University Science Association

GENERAL MEETING
6th August 1996

Opened: 6:07pm by Tyson
Last Minutes Accepted: Spoon
Tetleys (2nd)

BUSINESS OF LAST MEETING:

BEER FIRST
It would seem that Tyson runs things differently (Beer nuts happy with the decision)

RE-O
To be held on the 16th and 17th of August @ Woodhouse
Is it costly? Not really: \$18 - two nights
\$15 - one night

BULLETIN BOARD
Maintenance will look into space availability in Catacombs
This will be useful for letting people know about AUScA events
Casey: "we should take over the Cats"
We really need someone to look after the board once it is up, so far no takers

BLOODBONK
The term used when referring to sex with Youngblood

BLOODBANK
Donations from Uni will be sought. Tyson will try to organise something

BUSINESS:

DOUBLE-AGENT
Neida has been volunteered to spy on Clubs association for us. By infiltrating their forces we shall endeavour to gain a grant for the AUScA bulletin board and continue our quest for world domination

FORMAL DINNER
Youngblood the magnificent and his faithful sidekick Kelly T are organising what will be the most incredible and memorable formal dinner in the history of AUScA.

It will be held on the 18th of October @ the Norwood Function Centre. **DON'T EVEN THINK ABOUT MISSING IT. REMEMBER WE KNOW WHERE YOU LIVE, ALL OF YOU!!!**

HELL PARTY
Organised by Nicky B, Neida and Brionie the Fresher (onyia Brionie, we need more freshers like you)

MOVIE NIGHT
Okay this time I'm really going to do it. We are going to see **INDEPENDENCE DAY** (ID4)
When will this prestigious event take place? 3rd September 1996
Where shall we go to have the time of our lives? Hoys Regent (the one in the middle of the mall)

EXTRA BUSINESS

PETER: Everyone must buy a raffle ticket!
They only cost \$2 and you could win a trip around the world or a trip to Singapore. Ooh that'd be nice!

XYONNE: Everything for the Bulletin must be in by Friday the 9th or else it doesn't get in. It is agreed that the pin-up of Casey sucked because like Victor he is a very unattractive man!

CORRESPONDENCE

CASEY: "we should put an Advertisement in the last edition of ON DIT to remind everybody at the end of the year about BOOKSWAP.

Decided that the "blurb" should stay the same as per previous years (when you're on to a good thing stick to it)

We need an official stamp for Tax purposes

CLUBS ASSOCIATION

Neida will go to the next meeting

COCKTAIL (PIONGATAIL) PARTY

It was a complete flop. Nobody got pissed except for Nicky B who seems to be permanently off her nut
It was definitely a good idea but we need a different venue

TREASURERS REPORT

As usual Mark didn't have a lot to say and we are start to wonder whether he actually ever does anything
It was uninteresting, nothing was achieved and it seems we still have the same amount of \$ in Bookswap but slightly less in the Functions fund (due to embezzlement by mark)

SCIENCE OPEN DAY

Kirsten reports: "Hot dogs were sold for \$1.50 each or @ \$2.50 for a dog and something to wash it down with
We didn't make a profit but it was good for AUScA to be seen doing something

MORALS

Nothing particularly funny happened except for asserting Nick Kelly's mad desire for anyone but his girlfriend (Don't you think its about time you told her it's over Nick)
Tetley can't pronounce shit - It's TICK-E-RA (dickhead)
Captain Winky struck again, and,
Maya's engagement is even funnier than her haircut

PUB CRAWL II

To be organised by Jarrod and Sean Arnott

FISHING TRIP

To be organised by Simon Debrowski

QUESTIONS WITHOUT NOTICE

"Pale Ale should be provided at meetings" suggested by Pete (nice idea)

Meeting closed at 7:10pm by Tyson
