

AUSCA GENERAL MEETING

4th June 1996

Opened 6:19pm

Last minutes - accepted by Tyson

seconded by Mark and Leanne (sitting in a tree ...)

Business from last meeting

Krusty's pissed!

Re - O

Mark is now organising everything because Tetley's an all round Tosser (Pete seconds this). So the deal will be \$18 for two nights and \$12 for one. This is the best opportunity to catch up with all those people you're avoiding from O Camp! Get your tickets from Mark or Krusty. It will be held on the first weekend back that's the 12 - 14th at Woodhouse, Scout Hall. There's a church there so nobody has to miss out on Sunday mass. There is also a famous commando course and everyone has to eat a cookie (WHAT???) I think I must have missed the joke! Don't be afraid as it's nothing like O camp - isn't that a reason to be scared?

Krusty is now off her face

Pjongatail Party

Set for the 6th of July. Tickets must be bought before the day and tickets can be preordered from Nick, Tyson or Tiff (spacewoman Spiff) for \$25 @ head. There shall be no entry unless in PJ's, toga or a combination of both! You should already know or presume that it is being held at the Mansions as we ALWAYS go there.

Bowling

Yubbie sucks. Nelda rules. Planning it for the first weekend of the holidays

Bloodbank

Toss's job. Will happen soon once the rep from the Red Cross gets everything sorted out. Still planning on doing the "Pint for a Pint".

Bulletin Board

Only need to check with the maintenance people of where we want to put it - preferably in place of Tina!

Questions

Bulletin Board - Get it done in the holidays (Won't the Cata's be shut then????!!)

Reports

Winery Tour

Jo - It was fantastic and we all had fun, especially Krusty "round, round, get around, I get around!" Lots of naughty stuff went on which is good. We didn't get the actual tour though blah blah blah. Barb did a good skull and the chocolate factory was great.

Prosh

The busking made lots of dosh but we couldn't claim it as ours as we didn't organise it. The roundabout didn't make much dough probably because we got kicked off it early. The bus was great but the fountain was basically crap.

Morals

* For what you are about to read you must know that some drunk person, I wonder who, stole these minutes and wrote these messages!
Tiffany we love you, you are the sexiest beast. If only it wasn't Richard we would all want ya.
Mark thinks its boring but then he goes out with Tuck so we don't really care what he says.
Tiff and Chis have another fight
Ben Knights enters!! We all are in Orr!! (Shouldn't that be Aw?) of his sexy body and good looks.

Krusty's still drunk

Questions without notice

Is Krusty the first president to score a first year every year??

Statement - Krusty snuck Nick into the house without her parents noticing, then into the bedroom. Hmmm.

Meeting closed 7:00pm
