OXFORD EDITION 2000

AUSCA EVENTS FOR 2000

Freshers' first AUSCA BBQ

Your chance to join AUScA before the hordes in O'Week. We supply food and beer plus a 3 year membership for around \$10. Held on the first Sunday after O'Camp so keep your ears out for info during O'Camp.

O'WEEK ACTIVITIES.....

- Pancake and milkshake breakfast

Come along early on Tuesday for a yummy pancake and milkshake brekky....the morning after O'Hop to cure your hangovers.

- Beer tasting competition

We present contestants with a selection of premium local and imported beers with a list of names.... Contestants have to tell us what order we served them in.... It's a lot of fun but not as easy as it sounds.... It costs around \$5 which isn't much for 6 or 7 glasses of good beer.

- First Year Dinner

For all O'Camp freshers and any of their friends.... A good chance to catch up with all those people you met on the camp. It's a cheap night with decent food on Tuesday of O'Week.

Pyjogtail Party

A cocktail party where everyone wears pyjamas or a toga, gets really pissed (or not) and gets laughed at walking around town.

Pub Crawl

Speaks for itself really, doesn't it?

FAARCing (Foul Animal Acts Around Campus)

Pronounced "far-king", this relay race with a difference is a traditional AUScA Clubs Week event derived from Oxford University. Ever wanted to crack an egg on someone's head? Eat icecream without the use of your hands? Or just want an excuse to wear a garbage bag in public? Simply organise a team and let the fun begin!

Oakbank

Each year, we all head down to Oakbank for a nice day of basking in the sun and drinking loads of champagne. Oh, and I'm told that there's a horse race or something as well....must have missed that last year!

56th Winery Tour

Every year for the past 55 years, Barbara Hardy, patron of our club, has invited us down to Hardy's Winery in McLaren Vale to sample the wines and tour the plant. Come along and experience an interesting, illuminating and intoxicating day in the Southern Vales. Besides the wine, highlights include Barbara's home-made cookies and a hellish bus ride home (which includes the traditional dacking of our beloved pres.). Hopefully this year someone will remember to book a bus with windows that open, so that merrymakers can spew out the window rather than in someone else's lap. The tour is free but the bus will cost around \$12.

Re-O

Every year, on a weekend in the mid-year break or early in Semester 2, AUScA conducts a Re-Orientation camp (commonly known as Re-O or dis-orientation camp). We get out of the city for the weekend and roll around in the mud and dance in the snow together. Expect to pay about \$15.

Fishing Trip

A fairly casual affair....you bring your own rods, food, tents, beer and transport. It usually involves sitting around a campfire singing AUScA songs and not catching many fish (Last year I think it also involved a lot of ?*# as there were only two people left!).

Pub Crawl 2

See previous entry for Pub Crawl. Only difference being that this one's in Semester 2.

Annual Dinner

The AUScA annual formal dinner is a great night out, with a good venue (if we can find somewhere to have us), dinner, fantastic company and atmosphere, a guest speaker and recognition of some of the not-too-intelligent deeds of some AUScA members, with the much feared, yet eagerly awaited morals report.

Hell Party

As the name implies, this is the party from HELL. At the end of each academic year, AUScA celebrates the absence of study and exams for another 3 months with the party to end all parties.

SHADDELLS

Just a message....

AUScA has it's own barbeque and we generally have several throughout the year at a variety of interesting and scenic locations. They are usually at a negligible cost and heaps of fun. All that's required is someone to organise it. So if you're feeling motivated...GO AHEAD!!! This message applies to any idea you may like AUScA to try....if you organise it, people will do it.

BOOKSWAP

If you decide after your prelim. lectures in O'Week that you are going to buy the recommended text(s) for some/all of your subjects, let us tell you that anyone who buys brand new 1st year textbooks is a fool. Use your head and get them secondhand at AUScA's annual bookswap. We have cheap books for subjects run by ALL faculties (not just Science) so bring your friends and come see us in the North-South Dining Room (Level 4, Union House). But don't wait too long because current texts sell fast!

Bounce Your Boobies

CHORUS: B-B-B-B-Bounce your boobies, get into the swing.
B-B-B-B-Bounce your boobies, they're the swingiest things.
It doesn't really matter if they're big or small.
B-B-B-B-Bounce your boobies for one and all.

Do your boobs hang low?
Do they wobble to and fro?
Can you tie them in a knot?
Can you tie them in a bow?
Can you throw them over your shoulder like a regimental soldier?
Do your boobs hang low?

CHORUS

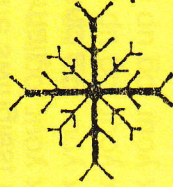

Do your boobs hang out?
Do they wobble all about?
Do they reach from East to West?
Do they always look their best?
Can you pass them over butter with a flutter, flutter, flutter?
Do your boobs hang out?

CHORUS

Do your boobs hang high?
Do they reach and touch the sky?
Do they hang down when they're wet?
Do they stand up when they're dry?
Can you semaphore your neighbour with a minimum of labour?
Do your boobs hang high?

AUSKI

Adelaide University Snow Ski Club

Don't just join the Adelaide University Snow Ski Club because you get a free beer or shot during O'Week, or because you could win a fully-paid place on the Y2K annual Ski Trip. Rather, think of the tradition, the legendary members who have come and gone and indelibly written their names into history for smutty acts, drinking, skiing and stupidity. Then again, the beer/shot does sound quite enticing, and the annual ski trip – what a bargain! Six full days of powder, including in-snow accommodation, lift tickets, snow board/ski hire, return luxury coach travel, 169 other crazed skiers and meals, all for less than \$800!

Even if you don't ski, AUSKI is still the club to join if our well-renowned All You Can Drink members nights sound attractive. With over 550 members in '99 and many glorious sponsors, it is no wonder AUSKI has its reputation as the biggest and one of the best sporting clubs on campus.

AUSKI is open to all Adelaide University students from ALL campuses, so come and see us in O'Week or contact us any time so that we can show you a good time. To contact us, call the AUSKI Hotline (ph: 8303 3018), the president, Nick Briggs (ph: 8339 1226) or visit our website: <http://www.adelaide.net.au/~auski> Email auski@camtech.net.au
